RECYCLED RANGE

Our PCR Range is manufactured exclusively from 100% recycled rHDPE whilst maintaining rigorous quality standards.

The off-white PCR containers range from 30ml to 25 Litres and are suitable for various non-food applications such as household detergents, non-aggressive chemicals, DIY, garden products, pet care and toiletries.

Samples are readily available by request.

Contact our Sales team for more information on 0161 366 4479 or sales@manupak.com
